Projection / Datum	Transverse Mercator Kandawala
Admin boundaries provided by:	Survey Department, Government of Sri Lanka

MapNumber: OCHA/ LK/ Vavuniya/ IDP Site Locations/ 001/V36

This map is designed for printing on A3 size

The boundaries, names and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

Note: According to UNHCR Standards, "the recommended minimum surface area is 45m² per person when planning a refugee camp (including kitchen/vegetable gardening space). However, the actual surface area per person (excluding garden space) should not be less than 30m² per person." (UNHCR Hand Book for Emergencies page 211).

The minimum surface area per person used in transitional shelter sites in Vavuniya has been agreed by the Shelter Coordination Cell as 30m² because the built shelters are Emergency Shelter and not a Permanent Shelter.
